To Whom It May Concern

I would like to introduce **Miss. Reeta Thapa**, who is student of this department from the academic year 2002 A.D. to 2005 A.D. She has passed B.Sc. (Bachelor level in Science) with major Microbiology. Besides her academic, she has also performed well in extracurricular activities. She possesses a good moral character and punctual personality.

Miss. Reeta Thapa is a disciplined, laborious, intelligent and enthusiastic student. She has been excellent through his stay at this college.

So, I happily recommend her for her further education.

I wish her all the success.
